Hello Christine,

I hope you're doing well!

Following our last call together, I think you mentioned you could provide us with a member facing flyer with instructions for accessing the Highmark portal.

Can you send this over? We want to be able to share clear instructions for anyone who needs to access digital ID cards.

Thanks.
Matt

No problem, and thanks for the update. I was really curious about the cede request.

Good morning. It has come to my attention that we(Highmark team) have quite a few folks out on vacation or attending other meetings. Further, we do not have any updates on the cede requests that have been submitted to CBC for consideration. It is my recommendation to cancel this session. Any updates related to the cede requests will be shared immediately and not wait for the future meeting.

Thanks.....dnc.
