**Congratulations to the sweepstakes winners who created a Garner account before the end of March!**

Although the event is over, it's not too late to create your Garner account. **Garner** is a FREE benefit for those enrolled in the **HBT's PPO, EPO, or High-deductible medical plans**. With Garner, finding top-performing doctors is simple. Garner has already done all the research for you and selected "Garner Top Providers" — doctors in your network who have a track record of delivering the best patient outcomes.

When you see a Garner Top Provider, you can **get reimbursed for your out-of-pocket medical costs**. You get the highest quality care, and you save money. **Garner will help cover up to \$1,000 for individuals or up to \$2,000 for families.**

## Now Available - Price Assure Rx Savings Program

The Price Assure prescription drug savings program is now available to all members enrolled in a Highmark medical plan. This program integrates GoodRx's discounted generic drug pricing at the pharmacy, ensuring you receive the lowest price — whether it's your plan cost or the GoodRx discounted price. Savings apply to many commonly prescribed generic medications at in-network retail pharmacy chains.

You do not need to enroll or present a discount card to take advantage of the Price Assure savings program. Simply present your Highmark ID card at the pharmacy and you'll automatically receive the lowest price between your plan or GoodRx price.

If you have any questions regarding Price Assure, please call the Highmark Concierge team at **844-946-6218**.

## Know Where to Go for Care

It's important to know where to go for care depending on your symptoms so you can get the right treatment when you need it. Telemedicine, the doctor's office, urgent care, and the emergency room offer different levels of care, convenience, and cost. Knowing your options ahead of time can help you make the right choice when a health issue arises.

## Benefit Partner Spotlight

### The Willpower Myth

Led by two Noom Health coaches, this 45-minute session explores the science behind habit formation — why willpower alone often falls short and what actually drives lasting behavior change. Attendees will walk away with practical, psychology-backed strategies they can start using right away. Plus, all attendees will be automatically entered into a raffle to win a free Noom cookbook!

## Join the Challenge!

### The Spring Walking Challenge continues! March 20-April 30

It's not too late to join "The Power of Steps" Walking Challenge! By taking 7,500 steps each day, you'll travel virtually to unlock a new milestone at each stop, highlighting the science-backed benefits of walking.

#### How to enter your steps/activity

You don't have to be an avid walker or runner to participate. Any physical activity you do can be converted into steps. Sync your device by downloading the app or by manually entering your daily steps on the portal.

#### Complete weekly challenges for a chance to win

You can win prizes for completing individual weekly challenges which will be highlighted in the portal.

#### Three chances to win a grand prize

Member schools will compete as a team\* and have three chances to win a grand prize!

1. The team to cross the finish line first
2. The most improved team
3. The team with the most participation

*\*Teams must be comprised of more than 5 individuals to be eligible for the grand prize.*

***You must create a new account even if you have participated in past walking challenges.***

## Health Observances

### Stress Awareness Month

April is National Stress Awareness Month, bringing attention to the impact of stress on both mental and physical health. Managing stress is essential for a balanced lifestyle and can help prevent and or reduce health issues.

**Key steps to help manage stress include:**

- Identify stressors
- Practice mindfulness
- Seek support

[The CDC offers some ways to manage stress here.](#)

Everyone's experience with stress is unique, and there is no one-size-fits all solution. Because it can affect your mental and physical health, prioritizing self-care is a vital step toward a healthier, more balanced life!
