

Find a doctor at ibx.com

The Find a Doctor tool at ibx.com helps you make confident decisions about your health care.

Easy-to-use search

Simple navigation helps you get faster, more accurate results when looking for doctors, hospitals, or other facilities.

Doctor and hospital profiles

Informative doctor and hospital profiles and nationally recognized quality measurements help you find the right doctor. Our provider profiles offer more than just location and phone number. You can also view credentials, hospital affiliations, reviews from other members, office hours, gender, specialty, languages spoken, and whether they're accepting new patients.

Rate and review your experience

See what other members thought about a doctor or hospital and share your own experiences. Anyone can read ratings and reviews, but you must log in at ibx.com to submit a review.

Compare doctors and facilities

Easily compare up to three doctors and hospitals at once. You can also compare specialties, education, board certifications, patient reviews, and more.

Log in today

If you haven't already, sign up for the member portal at ibx.com or scan the QR code to get started.

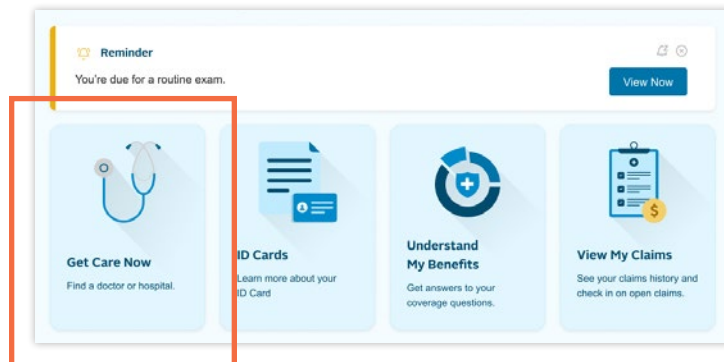

For on-the-go access, download the free IBX mobile app for iPhone or Android. Use the same username and password as your ibx.com login.

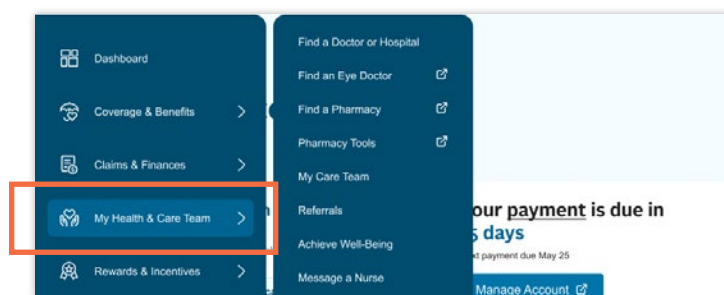

Get started with the Find a Doctor tool

You have multiple options to access the Find a Doctor tool within your ibx.com account.

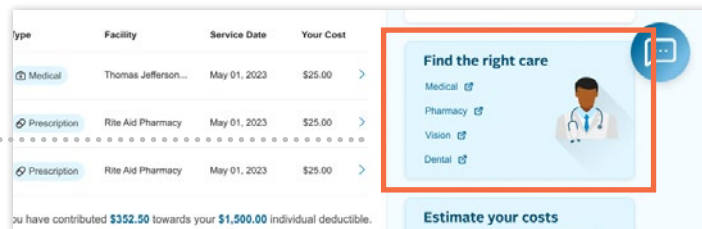

- 1 When you log in at ibx.com, you'll see your personalized Quick Actions page, where you can click *Get Care Now* to find a doctor or hospital.

- 2 You can also access *Find a Doctor* through the Dashboard page by clicking on *My Health & Care Team* from the navigation bar in the upper left-hand side.

Or click the *Find the right care* box on the lower right-hand side to access more specific providers.
